The increase of the administration fee includes all professional claims. However, it does not apply to the following providers and/or claims:

- Hospitals
- Emergency Rooms
- Hospital Clinics
- Pharmacies
- ASCs
- Dialysis Centers
- EAPG and DRG claims
- SNF claims
- LTAC claims

Payments will be notated by the following CARC and RARC codes:

- **RARC code:** MA125 – per legislation governing this program, payment constitutes payment in full

Please note that while it is not required, we encourage you to bill the vaccine and the administration code together for reporting purposes. You will need to bill one vaccine code and one administration code per dose of the vaccine administered. **At this time, there will be no reimbursement for the vaccine, only the administration fee.**

Providers will have until October 1, 2022 to submit claims for administration of the vaccine to receive the bonus payment.
