

**Notice Date:** <August 9, 2022>  
**To:** Ohio Medicaid Pharmacy Providers  
**From:** Ohio Managed Care Plans  
**Subject:** COVID-19: Vaccination Program for 2022  
**Effective Date:** July 1, 2022

---

## Summary

The Managed Care Plans (MCP) will continue the enhanced vaccine administration payment program. The COVID-19 vaccine administration fees will continue to be paid at \$100 per vaccine administered as part of the provider enhanced reimbursement program. This is applicable for dates of service starting **November 1, 2021 through September 30, 2022 for Pharmacy Providers.**

For extensive CPT billing guidelines, access this [CMS reference page](#). Additional information on the enhanced reimbursement program can be found [here](#).

Please note that while it is not required, we encourage you to bill the vaccine and the administration code together for reporting purposes. You will need to bill one vaccine code and one administration code per dose of the vaccine administered. **At this time, there will be no reimbursement for the COVID-19 vaccine, only the administration fee.**

**Providers will have until December 31, 2022 to submit claims for administration of the COVID-19 vaccine to receive the bonus payment.**
